Thanks again, were the words of the people who attended as they asked the Lord to bless all who have cooperated with this noble cause and blessings for those who will join in on the effort; the Dinner was given on December 16, 2006.

Seen the smiles on their faces as they walked in or as they walked out feeling blessed themselves by the message brought to them by the Minister and having been able to share a meal with a lot of other people some they know and some they don't, but made an effort to feel as one in the eyes of God at the Dinner.

Your cooperation helped us feed almost 650 people and because of the great preparations that the Ladies made by cooking all that food and the Coordination of Rev Austin Lewin Sr. it was made Possible, the Ladies that have been there from the start working long hours to make this a reality are:

Mrs. YVONNE BENDLISS  
Mrs. RINA DOWNS  
Mrs. ELOISE OMEIR  
Mrs. DAPHNIE LEWIN

Please join us in saluting these ladies and applauding them for the good they do for the community and for People in general, words cannot express enough gratitude for what you ladies do every year.

This year joining us to help serve the Invited Guests was Rodrigo Sharp (the man known as Pinka) he was tremendous assisting Mr. Lewin.

We have always said that if you can't give monetary help you may be able to give a helping hand, we will always need help, preparing the food, seating the guest, serving the food, helping with the program, you name it, so please don't be shy and come out and be a part of this noble act, your assistance is always needed.

We hope pretty soon we can bring you the videos of the past Dinners and the interviews taken at the dinners.

Thanks again to all and let us do this again this 2007, but bigger.

Steve R Hooker Sr  
President U.C.P. Inc. (Uniting Coast People at home and abroad)
